

NCC Midlands Apprentice of the Year 2009

We would like to take this opportunity to say a huge congratulations to our very own Carl Cundill who has scooped the very prestigious 'Apprentice of the Year' award. This is a huge achievement and one that he should be very proud of, as we are here at Alpha. It was noted at the ceremony that Carl:

"Has made exceptional progress throughout the course to achieve a full foundation framework. Throughout the course his attendance has been 100%. He is an enthusiastic and highly motivated individual who interacts well with his colleagues and staff."

It was also stated that Carl: ***"has the skills and ability to achieve success in his chosen career"***, something that we feel here at Alpha that he is already well on the road to achieving.

Carl is our first trainee to be honored in such a fashion but we hope he is not our last as Alpha continues to support all our staffs training needs and aspirations. Should you wish to discuss training opportunities or seek support with your training then please do not hesitate to either contact your Site/Contract Manager or Gavin Knight (Office Manager) at the head office.
